Budget Notes

To keep the cost down for 2 people:

- Use **chicken thighs** instead of chicken breast
- Buy **frozen broccoli** if it is cheaper
- Use **ground turkey** in multiple meals
- Skip expensive toppings unless you already have them
- Use leftover onion, garlic, and peppers across multiple dinners

Optional Leftover Strategy

If you want a little extra for lunch the next day:

- Increase the Monday chicken to **1.25 lbs**
- Increase Tuesday turkey to **1.25 lbs**
- Make extra Thursday egg roll in a bowl, since it reheats well

That gives you a couple of easy leftover lunches without raising the grocery bill too much.
